D.O.No. 23-2/2024-Stats

10th December, 2024

Dear ACS/Principal Secretary/Secretary,

I am writing to bring to your attention the issue of unrecognized schools functioning with UDISE code.

2. As you are aware, at the time of implementation of Right of Children to Free and Compulsory Education Act, 2009 ('RTE'), all listed schools on the day of implementation of Act were allowed to onboard UDISE+. Also, Section 19 of the RTE Act stipulates that, those school established before commencement of the Act and not fulfilling the norms shall take steps to fulfil the norms **within three years from the date of commencement of the Act**. The Act also mandates that, if such schools fail to fulfil the norms, the recognition shall be withdrawn and the school shall cease to function. In spite of these provisions, large number of unrecognized schools are continuing in UDISE+ till date (copy at Annexe). You would agree that this might lead to violation of provisions of RTE Act and dilution of learning outcomes.

3. To facilitate the State/UT, DoSE&L has identified list of such unrecognized schools functioning with UDISE code. It is requested that, States/UTs need to take further course of action and issue suitable instructions to concerned authorities to recognise these unrecognized schools or take appropriate measures as deemed fit within a definite time line i.e. upto 31.03.2025.

4. I would deeply appreciate, if you could share the action taken report with DoSE&L at the earliest.

Bshwighs,

Yours sincerely,

Enclosure: As above
